## SCORING

The Low Point System (RRS Appendix A) will be used. Five races are scheduled for the 'A' Course, but more may be sailed at the discretion of the PRO. In the event of 6 or more races on either course, there will be one (1) throw-out. A minimum of one race must be completed to constitute a regatta for both courses.

Handicap computations will be made using the current Portsmouth Handicap system (D-PN), as published by US Sailing.

## TROPHIES

The Flying Scots (Men's and Women's Divisions) will compete for the *Lake Eustis Flying Scot Challenge Perpetual Trophy*, and the Lasers will compete for the *Florida Lakes Laser Championship Trophy*.

The number of trophies for each course will depend on the number of pre-registered boats and classes received by February 6, 2017.

Camping is allowed on the grounds of the Sailing Club, with facilities in the clubhouse.

In addition, up to eight RVs, less than 30ft long, are permitted on Club grounds by town zoning.
